

On the Friday Closest to June 30th We Celebrate "Drive Your Corvette To Work Day"

Celebrating The Enjoyment of America's Sports Car

Drive Your Corvette To Work Day is an annual Mid America Motorworks sponsored celebration. In honor of Drive Your Corvette To Work Day, enthusiasts across the United States make "America's Sports Car" their commuter car for the day.

Every year, the Friday closest to June 30 – the day the first Corvette rolled off the assembly line in 1953 in Flint, Mich. – is chosen to observe Drive Your Corvette To Work Day. Mid America Motorworks promotes Drive Your Corvette To Work Day among Corvette owners and clubs.

The goal is to have as many Corvette owners as possible drive their car to work that day. Launched in 2001, Mid America Motorworks' Drive Your Corvette To Work Day is an annual event celebrated by thousands of Corvette owners worldwide.

"We understand why many owners consider their Corvette to be a special car and only drive it occasionally," said Mike Yager, founder and Chief Cheerleader of Mid America Motorworks, the world's leading supplier of aftermarket Corvette parts and accessories.

"But we think driving your Corvette to work, at least one day a year, is an excellent way to demonstrate just how popular Corvettes are. And it is a chance to Save the Wave and keep the Corvette spirit alive!"

Corvette owners who observe "Drive Your Corvette To Work Day" are encouraged to share high resolution digital pictures of their car at work to <https://www.facebook.com/corvettepassion/>. We would love to see everyone's photos!
