

## **C2 1963–1967 Corvette Wheel & Tire Reference Guide**

When purchasing new tires or wheels for your **1963–1967 Corvette**, always refer to the measurements of the wheels and tires that came on your Corvette from the assembly plant. You can be certain that the information on this chart is accurate and correct for **C2 Corvettes**. When choosing custom or updated wheels, view the clearly marked fitment years and sizes to ensure the best ride and continued safety while cruising!
