

Car Covers

This car cover is backed by a one year warranty from the invoice date. Warranty is for defects in material, workmanship, or the fabric becoming unserviceable under normal use. If deemed a warranty issue, repair or maximum one replacement cover will be provided.

The replacement cover issued will not have an additional warranty. If the item is returned with any foreign marks from tires/wheels or dirt that cannot be cleaned, the cover will be considered damaged if it cannot be restocked.

Prior to test fitting this cover, ensure your wheels and tires are clean, dry and free of any tire dressing that may tarnish the cover lining.
