Please take the time to read and understand these installation instructions.

- 1. Remove the targa top from your C4.**
- 2. Ensure your targa top is clean and free from dirt or debris to avoid scratching.**
- 3. Open both Velcro opening flaps on the storage bag and lay it on a flat surface with the opening facing toward you.**
- 4. With your targa top positioned horizontally, carefully slide the targa top into the storage bag.**
 - a. The rear corners of your targa top should be inserted first.**
 - b. The exterior side of your targa top should be inserted facing the side of the bag that the Velcro opening flaps are attached to.**
 - c. The storage bag's bottom corners are open so not to interfere with stowing the targa top in your Corvette's rear hatch like normal.**
- 5. Once your targa top is securely in the bag, fold the Velcro opening flaps back close and both sides of the Velcro fasteners are firmly in place.**
