

# **RAGGTOPP®**

**The First Convertible Top Cleaning and Protection System**

## **HOW TO APPLY**

### **RAGGTOPP Fabric/Vinyl Cleaner**

- **Wet Convertible Top thoroughly.**
- **Spray and apply evenly over entire roof and scrub lightly with recommended RAGGTOPP Deluxe soft brush.**
- **For very difficult soiled areas, spray and let stand for 15 to 20 minutes in the shade. Scrub lightly with RAGGTOPP Deluxe Soft Brush.**
- **Rinse thoroughly with water until no remaining soap foam is observed.**

**IMPORTANT: CONVERTIBLE TOP MUST BE THOROUGHLY DRY BEFORE USING RAGGTOPP FABRIC PROTECTANT**

### **RAGGTOPP Fabric Protectant**

#### **FABRIC TOPS**

- **Start with a clean dry convertible top.**
- **Shake well before use and several times during spraying.**
- **Hold can upright and spray evenly 24-36 inches from material.**
- **Spray three *light* even coats of RAGGTOPP Protectant using gentle sweeping motion. DO NOT SATURATE.**
- **Allow to dry 10 minutes between coats in the sun. Artificial heat can be used to speed drying time. Allow 24 hours to dry.**

**USE A CLEAN COTTON TOWEL/RAG or MICRO FIBER TOWEL TO WIPE OFF ANY OVER SPRAY**

***\*Use RAGGTOPP Vinyl Protectant for Exterior/Interior Protection without Silicone***
